

CONFERENCE
2022

MSCA

Next generation MSCA :
opening a new era for change

➤ **May 23 & 24**
Université PSL (Paris Sciences & Lettres)

As part of the French Presidency of the Council of the European Union, Université PSL (Paris Sciences & Lettres) will organise the 2022 Annual MSCA (Marie Skłodowska-Curie Actions) Conference. It will be an opportunity to consider the future of the program in order to best support the next generations of researchers.

Key sequences

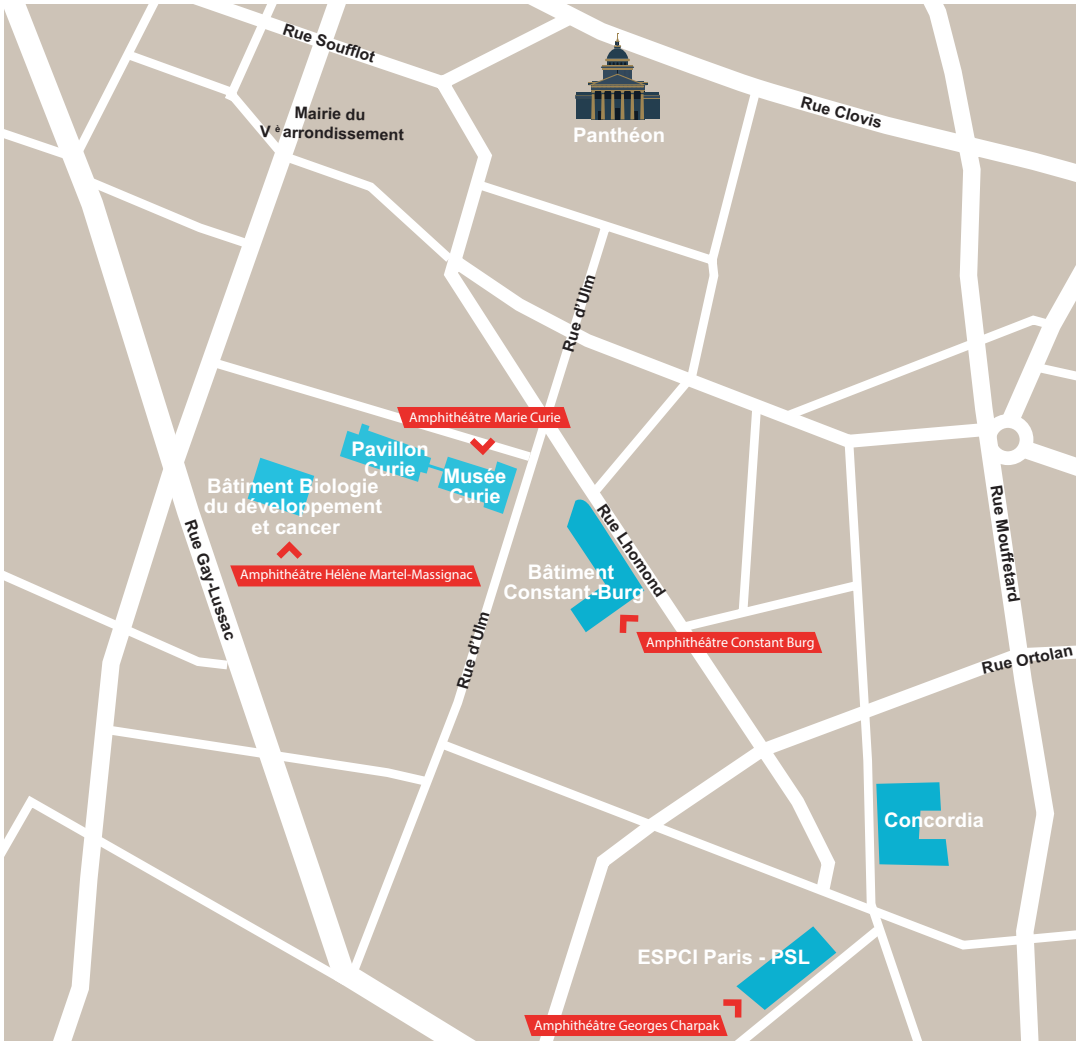

- Keynote speeches with Coralie Chevallier, (Vice-president for education, Université PSL) and Denis Guthleben (historian)
- 4 workshops on gender equality, challenges of academic freedom, science and society and the Green Charter
- Marie Curie's patrimony and Pantheon guided visits
- MSCA Falling walls lab

Details

- Campus Curie PSL (Institut Curie & ESPCI Paris - PSL)
- Free registration in person and online

DAY 2 May 24 (Morning)

09:30 - 12:00	MSCA Falling Walls labs
12:30 - 14:00	LUNCH at Cité internationale universitaire de Paris

The 2022 edition will be hosted by Paul de Brem

SPEAKERS

Workshop 1 – Gender equality

Michela Bello, Centre Commun de Recherche
Thomas Breda, PSE – CNRS, ENS
Gerard Bros Perez, Commission européenne
Maria Fátima Lucas, Zymvol
Dr Dörthe Nickel, Institut Curie
Luciana Aycirex, Inmark Europa
Corinne Portioli, Istituto Italiano di Tecnologia
Jaishree Subrahmaniam, MCAA (reporter)

Workshop 2 – Academic freedom

Joel Hanisek, Scholars at risk
Alexandros Triantafyllidis, Université Aristote de Thessalonique
Laura Lohéac, Collège de France
Michael Gaebel, Association des universités européennes
Refet Ali Yalcin, Université de Poitiers
Representant, Philipp Schwartz Initiative
Laurent Bonnefoy, Science Po, CNRS (moderator)
Fernanda Bajanca, MCAA (reporter)

Workshop 3 – Science and society

Vitalba Crivello, Science Media Hub
Olivier Dauchot, ESPCI – PSL
Miguel Francisco, Université Paris-Saclay, Institut Curie
Lenka Hebková, Centre de technologie CAS
Romain Juillard, Muséum National d'Histoire Naturelle
Julie Leprêtre, Commission européenne
Matteo Merzagora, association TRACES
Gian Maria Greco, University of Macerata
Giulia Malagamera, OpenAIRE (reporter)

Workshop 4 – Green Charter

Marlène Bartès, Commission européenne
Alexandra Dubini, Université de Cordoue
Martin Farley, UCL, Green Lab associates
Claude Grison, Université de Montpellier
Ana Rodrigues, Université de Montpellier
Paolo Tomassetti, Aix-Marseille Université
Ewan Geffroy, Région Bretagne (moderator)
Mostafa Moonir Shawrav, OSRAM (reporter)
